

## **What are the file types and sizes supported on this site?**

**Text Documents** - PDF, MS and OpenOffice Excel (.xls, .xlsx), MS and OpenOffice Word (.doc, .docx), MS and OpenOffice PowerPoint (.ppt, .pptx), Rich Text File (.rtf)

**Audio Files** - mp3, wav, x-wav

**Video Files** - mp4, avi, mpeg, mov (Quicktime), flv

**Image Files** - jpg / jpeg, gif, png, bmp

**Other**- zip, xml

A file size can be up to 200 MB however, try and keep your file sizes to about 5MB. The larger the file, the longer it will take to upload, especially on mobile phones and slower internet connections.

Rename files that have long names or special characters to a simple small name.

Convert videos or audios in other formats to one of the formats above using a third party converter available on the internet.
