

MARKS PARK UPGRADE

WAVERLEY
COUNCIL

Proposed Upgrades

- 1** *Continuous access path.*
A footpath providing step free access to park facilities. The footpath will link the playground, amenities block, seats and coastal viewpoints.
- 2** *Stair connection between Park and Mackenzies Point.*
Create a formal stair access from the park to the coast walk and look out.
- 3** *New lookout.*
New accessible lookout point. The lookout will provide access to coastal views providing a similar experience to Mackenzies Point for all park visitors.
- 4** *Embankment stabilisation.*
New native landscape planting to stabilise the embankment and prevent erosion.
- 5** *Playground upgrade.*
New playground upgraded to replace old equipment and expand the play experience. For more detail refer Marks Park Playground Concept Design on Council's website at:
