This explanatory note has been prepared as required by clause 25E of the *Environmental Planning and Assessment Regulation 2000*.

1 Parties:

Waverley Council (Council)

TC Three Pty Limited ATF TC3 TRUST (ACN 617 303 429)
(Developer)

2 Description of subject Land:

The whole of the land being Auto Consol 14018 – 218, Lot B in DP 314083 and Lot E Section E in DP 3426 known as 278 – 282 Birrell Street, Bondi is the subject Land under the Planning Agreement.

3 Description of Development:

The Developer proposes to develop the subject Land. The proposed development will comprise demolition of existing structures and construction of new part three, part four storey residential flat building with basement carparking.

4 Background:

The Developer is the registered proprietor of the subject Land. The Developer caused a development application to be lodged with Council, DA-187/2020. The Developer subsequently lodged an appeal with the NSW Land and Environment Court. An offer was made to enter into a Planning Agreement with Council pursuant to section 7.4 of the Act to provide a monetary contribution as the development application provided for additional floor space which exceeds floor space controls permitted for such buildings under Council's planning controls. Development consent was granted.

The Developer subsequently lodged a section 4.56 modification application (DA-187/2020/A) to modify timing requirements in relation to the Planning Agreement and clarified and confirmed its offer. Development consent has not yet been granted. The offer is in line with Council's Voluntary Planning Agreement Policy 2014.

5 Summary of Objectives, Nature and Effect of the Draft Planning Agreement:

The Planning Agreement will assist Council in achieving its objectives by providing funds which will enable Council to provide a material public benefit to the broader community through Waverley's Affordable Housing Program.

The Agreement is a binding relationship between Council and the Developer whereby the Developer is to pay a monetary Contribution and is a Planning Agreement under section 7.4 and Subdivision 2 of Division 7.1 of Part 7 of the Act.

The Agreement requires the Developer to comply with certain requirements including registration of the Agreement, provision of a Bank Guarantee and caveat prior to any Construction Certificate issuing for the Development that relates to any building work, other than demolition, excavation, piling, shoring and ancillary works for construction purposes including site hoardings and temporary site sheds that relates to works contained in DA-187/2020 and to pay the monetary Contribution to Council in the amount of \$1,750,000 prior to any Occupation Certificate issuing for the Development.

The Agreement does not exclude the application of sections 7.11, 7.12 or 7.24 of the Act to the Development and the Development Contribution is not to be taken into consideration in determining any development contribution under s7.11 of the Act.

The Agreement contains a number of machinery provisions including in relation to dispute resolution and enforcement.

6 Assessment of the merits of the Draft Planning Agreement:

The Planning Purposes Served by the Draft Planning Agreement

In accordance with s 7.4(2) of the *Environmental Planning and Assessment Act 1979*, the Planning Agreement facilitates the following public purposes:

- The provision of (or the recoupment of the cost of providing) affordable housing;
- The funding of recurrent expenditure relating to the provision of public amenities or public services, affordable housing or transport or other infrastructure; and
- The monitoring of the planning impacts of development.

The Planning Agreement provides a reasonable means of achieving the public purposes set out above.

How the Draft Planning Agreement Promotes the Public Interest

- Public Interest is promoted by virtue of the planning agreement because it increases the provision of affordable housing;
- Provides housing for low income and disadvantaged people within the community;
- Facilitates a diverse social mix;

- Enables diverse social and economic groups to have similar opportunities for accommodation in the area where the Development is situated.

How the Draft Planning Agreement Promotes the Objects of the Environmental Planning and Assessment Act, 1979 (EP&A Act)

The provision of the monetary contribution required under the Planning Agreement will promote the objects of the Act, in particular:

- 1.3(a) “to promote the social and economic welfare of the community and a better environment by the proper management, development and conservation of the State's natural and other resources”;
- 1.3(b) “to facilitate ecologically sustainable development by integrating relevant economic, environmental and social considerations in decision-making about environmental planning and assessment”;
- 1.3(c) “to promote the orderly and economic use and development of land”;
- 1.3(d) “to promote the delivery and maintenance of affordable housing”; and
- 1.3(i) “to promote the sharing of the responsibility for environmental planning and assessment between the different levels of government in the State”.

How the Draft Planning Agreement promotes elements of the Council's charter under section 8 of the Local Government Act, 1993

- The Draft Planning Agreement provides a means by which the Council shows a regard for the long term and cumulative effects of its decisions. The Council's decisions impact public areas. The Council is conscious of a need for affordable housing within the public areas in its local government area and how its decisions and policies impact on seeking to fulfil these needs;
- The Draft Planning Agreement provides a means by which Council shows it bears in mind that it is the custodian and trustee of public assets and seeks to effectively plan for and manage the assets for which it is responsible and facilitates its engaging in long term strategic planning on behalf of the local community;
- In addition, as the planning agreement is a means by which the Council can implement its Affordable Housing Policy, in doing so Council exercises community leadership in an area of concern to the wider community.

Conformity with the Council's Capital Works Program

The Draft Planning Agreement is not inconsistent with the Council's Capital Works Program.

Whether the Agreement specifies that certain requirements of the Agreement must be complied with before a construction certificate, occupation certificate or subdivision certificate is issued

Yes, as detailed above in relation to bank guarantee, registration and caveat prior to the issue of a Construction Certificate that relates to any building work, other than demolition, excavation, piling, shoring and ancillary works for construction purposes including site hoardings and temporary site sheds that relates to works contained in DA-187/2020 and to enforce payment of the monetary contribution prior to the issue of any Occupation Certificate.
