

Have your say on PLAY

Waverley Council is currently preparing a Play Strategy that will provide a strategic framework to guide Council in planning and prioritising play spaces for improvements, replacements, maintenance and new play spaces over a ten year period.

Consultation on the Play Strategy will begin in February and continue until the end of March. To assist us to better understand your needs and improve the provision of play in Waverley, we ask that you take a few minutes to **fill out the online survey** by visiting: www.haveyoursaywaverley.com.au Survey closes 31st March.

Why is play so important? With increasing numbers of young children living in Waverley, it is important that we plan for, understand and meet the needs and demands of the community both now and into the future.

Waverley Council understands **the value of play** to the health, wellbeing and development of children and young people and that play is an essential ingredient in any child's growth, contributing to social, physical, intellectual, cultural, emotional and psychological development.

Play allows for develop of children's ability to problem solve, think creatively, improve their motor skills, discover the world, learn about others and themselves, but most of all have fun!

For more information please visit our website at www.waverley.nsw.gov.au/play or email scott@waverley.nsw.gov.au or phone **9386 7914**.

Visit Waverley's New Play Spaces
