

Under the NSW Companion Animals Act there are strict rules governing the control and behaviour of dogs and dog owners /commercial dog walkers in public places. The following are some guidelines:

- 🐾 You are not permitted to walk more than four dogs at any one time in an on-leash area or an off-leash area.
- 🐾 Your dog must be under the effective control of a competent person by means of an adequate chain, cord or leash at all times unless in an approved off-leash area.
- 🐾 If your dog is being exercised in an approved off-leash area it must always be under effective control of a competent person.
- 🐾 All dogs must wear a collar and tag with your contact details on it when in a public space. They should also be identified (micro-chipped) and registered.
- 🐾 Owners must pick up and appropriately dispose of dog droppings. Council has dog tidy stations installed throughout Waverley.

There are certain places where dogs are not allowed. These places are:

- 🐾 beaches and pools.
- 🐾 within 10 metres of children's playgrounds, sportsfields or bushland.
- 🐾 within 10 metres of any food preparation area such as public barbecues or change rooms.
- 🐾 public places set aside for organised games, school grounds and shopping complexes.
- 🐾 Waverley Cemetery.
