

WAVERLEY PARK | PLAY SPACE UPGRADE

Concept Design

- ① **Embankment slide** - new shorter slide to meet current safety standards
- ② **Nature play** - balance logs, steppers, rocks and timber decking
- ③ **Musical play equipment** - sensory play experience
- ④ **Rocket Ship and Launch Control** - new reproduction Rocket Ship connected to Launch Control play tower
- ⑤ **Grass area** - including seating, accessible bubbler and bin.
- ⑥ **Main entry** - double gated entry to the play space
- ⑦ **Water play** - small sensory water play area
- ⑧ **Accessible embankment slide** - wheelchair accessible wide embankment slide with transfer platforms accessed via central ramp
- ⑨ **Top entry** - gated entry to the park at the bottom of the existing staircase
- ⑩ **Toddler play area** - under shade of existing tree to include toddler play tower with wheelchair accessible platform, slide, climbing and crawling elements, imaginative play and cognitive play puzzles, picnic setting and seating
- ⑪ **Side entry** - gated entry connection to nature adventure play area
- ⑫ **Active play area** - wheelchair accessible group spinner, mouse wheel, see-saws and variety of swing types to suit different users
- ⑬ **Quiet play area** - incorporating steppers and play sculptures under the existing Norfolk Island pine
- ⑭ **Nature adventure area** - aimed at older age groups, a series of ropes, obstacles and nature play under the existing mature fig trees to test and challenge children's skills as they navigate the course
- ⑮ **Intergenerational fitness** - outdoor exercise area aimed at seniors featuring equipment to help improve balance, mobility and co-ordination
- ⑯ **Upgraded BBQ area** - new wheelchair accessible layout to maximise space. To include bins, accessible bubbler, accessible BBQs and accessible picnic settings
- ⑰ **Path link** - low key gravel paths through gardenbeds to link picnic areas together
