

Improving pedestrian safety

Council is considering a number of options to improve some intersections and crossing points along Birrell Street. See below for an artist impression of what the area could look like.

Current

- 1. Kerb extension
- 2. Continuous footpath

Proposed

WAVERLEY COUNCIL

Upgrading traffic islands

Birrell Street has a number of refuge islands for pedestrians to use. The islands near Isabella Street and Stanley Street are no longer best practice and two options are being proposed to improve them.

Option 1

Option 2
