

# DOGS OFF-LEASH AREAS IN WAVERLEY

WAVERLEY  
COUNCIL

There are nine existing off-leash dog areas located throughout Waverley LGA.

This exceeds the minimum legislative requirements as stated in the NSW Companion Animals Act. This provision rate per person is higher than neighbouring Randwick LGA and lower than the Woollahra LGA and Sydney LGA.

There is one off-leash dog beach located in the eastern suburbs. It is located at Dumaresq Reserve in Rose Bay,

Woollahra. Dogs are permitted here before 8.30am and after 4.30pm.

Waverley's existing off-leash dog areas are identified on the map below. The map also includes the location of potential off-leash dog areas currently under investigation and the Dumaresq Reserve off-leash dog beach.
